

DEVONPORT MUSEUM

DEVONPORT is one of Auckland's older communities, founded in 1840. The DEVONPORT HISTORICAL & MUSEUM SOCIETY (Inc) is dedicated to preserving and presenting its heritage and history.

OUR focus is to preserve the artefacts and archival material of Devonport, to provide interesting and entertaining displays about the area, its natural history, the early visitors and settlement, our maritime heritage, and to be an information service for the enrichment and enjoyment of the community at large. Being a member of the Museum Society is your way of helping to promote this endeavour. Newsletters are sent periodically.

YOU are very welcome to visit the Museum. It is now open on weekends between 2 & 4pm (between noon & 4pm in summer) and during the week between 10am & noon Tuesdays, Wednesdays and Thursdays.

THE Museum is housed in an early Presbyterian Church that was brought to the site and restored and is set in beautiful gardens next to Cambria Park. If you would like to bring a group, ring one of the numbers below and we will open up for you. The Museum has become a popular venue for weddings and various other functions, we have full kitchen and toilet facilities and our rates are very reasonable.

WHEN you renew your membership, why not ask your friends, family or neighbours if they would like to become a member or volunteer. As the Museum is run entirely by volunteers it would be greatly appreciated.
